Agreement on the installation and use of DPL 9 Academic version for Decision Analysis module Term Paper/Project.

By installing the Academic version of DPL 9 (referred to as the software, thereafter), and signing below, I am agreeing to the following terms and conditions:

1. I shall only use the software for my Term Paper/Project and academic work related to the module.

2. I shall not use the software for any commercial purposes.

3. I shall not distribute the software installation program and its license file to any third party that is not authorized to use it.

4. I shall uninstall the software from my computer if so requested by the Department.
